**Application Codes (as used by the Moray Council) and upon which there is an opportunity for the public to comment on the proposal**

ADV = Application for Advertisement Consent to display one or more advertisements or signs

APP = Application for planning permission giving (full) details of the design and layout/siting arrangements for the proposed development, which may include an application for further planning permission i.e. a development that has not yet started and where a time limit has been set, or an application to renew planning permission or change or remove a planning condition

AMC = Application for approval, consent or agreement required by any condition imposed upon a grant of planning permission in principle

CON = Application for Conservation Area Consent where the proposal involves total or substantial demolition of any unlisted building or structure in a conservation area.

EIA = application for planning permission (including planning permission in principle) which is accompanied by an Environmental Report required and prepared under the current Environmental Impact Assessment Regulations

HAZ = an application for hazardous substance consent to use or store hazardous substances at or above certain quantities.

HAZRMC = an application for hazardous substance for removal (or modification) of conditions attached to a (previous) hazardous substance consent.

HAZCOT = an application for continuation of hazardous substance consent where there has been a change in the person in control of part of the land.

LBC = Application for listed building consent to alter, extend or demolish a listed building

MIN = application for planning permission (including planning permission in principle) which is for mining or working materials (for example quarries)

PPP = Application for planning permission in principle where permission is sought upon the principle of development on a specified site and if granted, it would be subject to conditions requiring a further application for approval of certain specified matters (e.g. about design and site layout arrangements, etc.).

**FOR INFORMATION ONLY: the following application types may be received by the Moray Council but where representations must be submitted to Scottish Government or a local planning authority other than Moray Council**

UCD – Application for permission under S.242 of the 1997 Planning Act as amended in relation to development deemed to be urgent and for the Crown - all representations must be submitted to Scottish Ministers at the address stated

S36 = Application for electricity generation, for example a wind farm development, in excess of 50MW, to be determined by Scottish Ministers under Section 36 of the Electricity Act 1989 upon which the Moray Council has been formally consulted - all representations must be submitted to Scottish Ministers at the address stated

Anyone wishing to comment on any proposal to be determined by the Moray Council must do so in writing before the Expiry Date as specified. Please note that the date for comments may be extended where neighbour notification and/or advertisement procedures are required. The final date for comment will be as stated online at <http://public.moray.gov.uk/eplanning/> (and at Search, add application reference number to retrieve application details and the expiry date is stated under the "Important Dates" heading). Please note also that all comments submitted not later than the expiry date and after redaction, where required, will be made available to view online. Comments can also be submitted by email to [comments.planning@moray.gov.uk](mailto:comments.planning@moray.gov.uk) or in writing to Manager (Development Management), Development Services, P.O.
